NINE WEST ALONG WITH MARILYN DENIS - PART OF 'DO GOOD DIVAS' EVENT CALLED "DIVA DELIGHTS"

TORONTO, ON, OCTOBER 25, 2007: Marilyn Denis has agreed to sign one of the Nine West Glamour Girl Clutches for the "Do Good Divas".

This non-profit group will host a fund-raising event to benefit Hotel-Dieu Grace Hospital. Their 2007 undertaking is an event called "Diva Delights" featuring fashions, flowers and our main attraction – fabulous handbags donated by celebrities, designers, retailers and leading women of the Toronto community to be autographed and auctioned off during the event.

Some of the previous celebrity handbag donations for Handbag Heaven included:

- Hollywood Stars Ashley Judd, Teri Hatcher (Desperate Housewives), Angela Lansbury, and Margot Kidder
- Recording Artists Anne Murray, Rita NacNeil and Sarah McLaughlin,
- Cartoonist Lynn Johnston (For Better or Worse), noted environmentalist Dr. Jane Goodall, and popular Radio Personality Dr. Joy Browne.

The proceeds from "Diva Delights" will benefit Hotel-Dieu Grace Hospital through the Divas' renovation project to refurbish the waiting area of the Adult Day Surgery on the 5th floor. The Divas want to provide a bright, comforting atmosphere for patients and family members while waiting for treatment at the hospital.

Diva Delights will be held on Thursday, October 25th, 2007 at the Caboto Club in Windsor. Our event will be hosted by Karen Hall, Fashion Editor at the Windsor Star, Susan Pedler, CBC TV News Anchor, and the volunteer auctioneer will be my husband, City Councillor and retired CBC TV News Reporter, Percy Hatfield.

Last year 600 women enjoyed their evening they expect an even greater turn-out for "Diva Delights".
